## January 2025 SNI Vice Chair Report

- I corrected a typo in our **Bylaws**, page E-7, Article IV, Section 5, B, where changed “tow (2)” to “two (2)”.
- I reviewed our **Bylaws and Policies** and found some issues to be resolved. I have emailed the Region 5 Trustee Liaison to get her opinion before writing motions. We are planning to discuss these issues next week.
- The **Agenda Questionnaire** is due to be posted on Sunday, January 5, and the results are due on March 5. Hopefully, we will have our March meeting on March 1, so we can vote then and still be counted. I plan to send you the Questionnaire along with a summary as soon as possible, so you can start asking questions. Perhaps we can call a special SNI meeting to help representatives (and/or other members) understand the proposals so we can get our votes in. February we are hoping to have a shorter SNI meeting because our in-person event starts earlier than usual. If you have other ideas of how to facilitate our processing of the Agenda Questionnaire, please let me know.
- Paul A has volunteered to be our **Public Information Chair** (and has been acting as our Twelfth Step Within Chair). To make both positions official, we will need to vote on Saturday. Meanwhile, Paul plans to post our February 1<sup>st</sup> Event information on a local information channel this week.
- The speakers for the February 22<sup>nd</sup> **All Illinois Unity Celebration** haven’t been finalized, so there may still be opportunities for those with diverse stories to tell them! Let me know if you or someone you know might be a candidate.
- I have been working out reaching out to student support staff at higher educational institutions to share the letter that was created for this **professional outreach** (PO) by the World Service Conference Young People’s Committee. I reached out to a committee member yesterday to get a few questions answered before I start sending out the letters, and received answers right away! I plan to start getting these PO emails out this week. This is an open service opportunity, as there is more to be done.
- I spent some time in the Emergency Department of a local hospital last weekend, and received a favorable response when I gave the doctor the latest issue of **The Courier**. While the issues usually become available early in the year (or as late as March), this issue became available in December!
- I continue to be blessed by **service work** as I work on a Region 5 Subcommittee which is reaching out to intergroups who haven’t been represented at recent assemblies. This is Step 12 work, but it is not necessary to finish the first 11 before starting Step 12. My first sponsor told me that while we take the steps in order, we can practice steps 10, 11, & 12 right away.
  - Step 10 to keep from adding to the wreckage of the past while waiting to finish Step 9, by making amends immediately when we are wrong.
  - Step 11 to keep in conscious contact with HP to help us through the first 10 steps.
  - Step 12 to support our abstinence with service to OA and our fellows.
- All this, and I was afraid I would have nothing to report this month!

Thank you for your service!

Susan M. :-)
